

Particulars of Competition

Competitors will be required to inspect a course of obstacles on foot. A judges walk through will also take place before the competition begins. They will then be inspected mounted and awarded marks up to a maximum of 10 points for turnout and safety of horse and rider, the value of tack not to be taken into consideration. On sounding of a bell or whistle each competitor will be required to pass between two flags and carry out a course of tests, in a given time. Failure to complete the course in the correct order and time allowed will result in elimination. Each test will be judged separately on (a) horsemanship and (b) performance.
