## About Skelton Show

Skelton Show has been running since the late 1800's and grown from a small local show held in the village to one of the major agricultural shows in Cumbria. It is held on the first Saturday in July in the picturesque setting of the Old Park at Hutton-in-the-Forest near Penrith (3miles NW of M6 Jun 41)

The show has a large horticultural and industrial marquee and classes of cattle, sheep, horses, dogs, vintage vehicles, fur and feathered animals and Cumberland and Westmorland wrestling. With well over 150 trade stands, a gift and crafts tent, Skelton Food Hall, a wide variety of entertainment, music, food and bar it has a reputation for being a great day out in the country for all the family.

It is run by a committee of volunteers and exists to promote the interests of those engaged in horticulture, farming and agriculture by providing facilities for competition, the sharing of information and best practice. Each year a new president is elected whilst the Chairman holds office for four years.
